OC Green Expo + EV Test Drive Media Toolkit

Event Information:

Anaheim Public Utilities will host the annual OC Green Expo + EV Test Drive on June 8, 2024, in Downtown Anaheim from 10 a.m. to 2 p.m. This free public event connects the Anaheim and Orange County communities with sustainable resources, organizations, and vendors. It also encourages water and energy conservation, waste reduction, and promotes clean energy vehicles through an electric vehicle test drive.

Learn about sustainability through:

- Electric Vehicle test drives
- Eco-friendly organizations
- All-ages interactive games & activities
- Free prizes & giveaways

Register early at Anaheim.net/greenexpo to receive a complimentary expo gift. Also, remember to sign up for the EV Test Drive to skip the line at Anaheim.net/testdrive.

Downloadable Social Media Graphics: [DropBox Link](#)

The image displays two social media graphics for the OC Green Expo. The left graphic is a circular logo with a green leaf in the center, held by two hands. The text around the leaf reads "FREE Family Event • Raffles & Prizes" at the top and "EV TEST DRIVE" at the bottom. Below the leaf, it says "Drive the latest EVs • Learn about sustainable living". At the bottom of the graphic, it specifies "JUNE 8 10 AM-2 PM DOWNTOWN ANAHEIM" and provides the website "anaheim.net/greenexpo". The right graphic is a street map of downtown Anaheim showing the event location. The map highlights the intersection of Center Street and Promenade, with a red arrow pointing to a "FREE P" parking sign. Other streets shown include Lincoln, Lehman Way, Broadway, and Philadelphia. A "FREE P" sign is also shown at the intersection of Center Street and City Hall. The map includes street names like Clementine, Lemon, and Anaheim, and highway markers for 91 and 57. At the bottom of the map graphic, it repeats "JUNE 8 10 AM-2 PM DOWNTOWN ANAHEIM" and "anaheim.net/greenexpo".
